## **ZELIENOPLE HARMONY LEADS (ZHL) NETWORKING GROUP**

As a membership benefit of the Zelenople-Harmony Area Chamber of Commerce and Zelenople-Harmony Business Association, Zelenople Harmony Leads (ZHL) is a gathering of business professionals who meet at 7:45 a.m. every Tuesday at Z-Town Café, 105 N. Main Street in Zelenople. This is a free benefit of membership in the Zelenople Harmony Area Chamber of Commerce and Business Association. Non-Chamber member guests are able to attend 3 different meetings before becoming a member of the Chamber.

ZHL provides a free forum for those attending to promote their business, share referrals, and build relationships as a powerful way to increase business and develop trusted resources. This is an opportunity to increase your marketing efforts through networking by telling your colleagues about YOUR business and having them refer customers to you. During this informal meeting and discussion, those in attendance meet, give a two minute commercial, and interact with others in business. Also, a presentation is given each week by a featured business.

The mission is to promote relationships within the Chamber membership and throughout the local business community, to encourage, educate, and create opportunities to meet multiple, potential customers and clients.
